

**Medford, MA - 2020-09-14**

The following is a notification from the DesignLights Consortium (DLC) that the product(s) listed below have been found to use the DLC logo or trademark without permission, or are referencing DLC qualification but are not listed on the Qualified Products List (QPL). The DLC does not verify any of the claims made by the manufacturer regarding product performance. The manufacturer and/or distributor has been notified of this logo violation and steps they need to take to resolve the issue(s). The full DLC Logo and Trademark Use Guidelines can be found on the DLC website: <https://www.designlights.org/terms/logo-guidelines/>

Manufacturer

First Lighting & Electric Co., Ltd

Name of Product:

WP51E Series, WP52E Series, WP53E Series, CM07 Series, CM17 Series, LF26 Series, LF27 Series, LF28 Series, LF29 Series, LF24 Series, LF12 Series, WM20 Series, WP24 Series, WM21 Series, WP25 Series, WP26 Series, LF33R-THK/YK Series, LF17 Series, LF91 Series, LF93 Series, WM31 Series, WP21 Series, WP23 Series, WP31 Series, WP32 Series, WP33 Series, WP52 Series, WP53 Series, CM10 Series, LB14A2/P2 Series, VP104 Series

Recommendation to Utilities:

Please be aware that these product claims have not been evaluated or verified by the DLC and products noted are not listed on the QPL, and therefore should not be eligible for incentives.

When the DLC has confirmed that all issues have been resolved, this Logo Violation Notice will be marked as "Resolved" and will be archived in an aggregated list on the Logo Violation Notice archive web page.

About DLC

The DesignLights Consortium®(DLC) is a non-profit organization dedicated to accelerating the widespread adoption of high-performing commercial lighting solutions. The DLC promotes the use of high-quality, energy-efficient products in collaboration with utilities and energy efficiency program members, manufacturers, lighting designers, and federal, state, and local entities.
